GIVING TUESDAY 2021

BY STAFF ([HTTPS://WWW.GULFSHORELIFE.COM/AUTHOR/STAFF/](https://www.gulfshorelife.com/author/staff/))

For the past nine years, nonprofits across Southwest Florida (<https://www.gulfshorelife.com/2021/09/13/social-register/>) have kicked off the holiday season with Giving Tuesday—an international movement that rallies the entire world for a day of doing good. Beyond donating money, the campaign calls for people to give back in any way they can—contributing financially, donating time and skills, promoting an organization’s efforts or simply doing something nice for a neighbor.

Giving Tuesday operates under the notion that any little bit we do helps, and it provides a great opportunity for our philanthropic community to show the generous heart of Southwest Florida.

We reached out to our nonprofit friends to find out who is participating in #GivingTuesday on November 30. Join any of these efforts or reach out to the organization you support to see how you can help.
