Spotlight: Kelley Borreggine

Each month, we spotlight a staff member, participant or volunteer. *You could be next!*

Meet Kelley!

Kelley started volunteering with STARability in December 2024 after retiring from a 28-year career in Special Education. She moved to Florida and wanted to give her time to a cause she’s always loved—supporting individuals with special abilities.

Her passion started young, when her mom signed her up to help at Camp Hope in New Jersey. She loved working with the campers and eventually earned a degree in Special Ed.

At STARability, Kelley loves the joy and fun she sees every time she volunteers. She’s especially impressed by the amazing programs that help members grow to be more independent and confident.

One of her favorite moments was the fashion show at Macy’s—seeing the members light up on the runway was unforgettable! She also loves how involved the community is and how many opportunities members have to shine.
